LONG TERM CARE

BE PREPARED FOR RETIREMENT

Planning for the future goes beyond saving for retirement—it's about ensuring you're prepared for all possibilities, including long-term care. Did you know nearly 70% of Americans over 65 will need some form of long-term care? From assisted living to nursing homes, the costs can add up quickly. Speak to a financial advisor to break down the key considerations for incorporating long-term care into your financial strategy.
